2. Early College Items

As an introduction to the Early College items on the agenda, Dr. Hansen Stewart, vice president of career and technical education and workforce development, provided an overview of the Dual and Articulated Credit and Running Start programs and agreements with the area high school districts.

To provide consistency across school districts and align with the Dual Credit Quality Act, RVC developed the Dual and Articulated Credit Memorandum of Understanding (MOU) to utilize districts offering dual credit for high school courses. These dual credit courses are taught by qualified high school instructors and are designed to allow eligible students to receive college credit in high school.

Running Start is a formal program that allows qualified students to attend RVC for their junior and senior high school years. Students may enroll in a two-year degree completion program in which students take courses that meet the requirements for both a high school diploma and an RVC associate degree simultaneously or a one-year program that meets the requirements for both a high school diploma and one year of RVC credit courses simultaneously.

The Senior Semester Intergovernmental Agreement (IGA) allows qualified district students to attend RVC for their final high school semester of senior year. Students take dual credit courses that meet the requirements for both a high school diploma and one semester of RVC credit courses simultaneously. Discussion ensued.

**2024 - 2025 Running Start Intergovernmental Agreement (IGA)
North Boone C.U.S.D. #200**

Background: Running Start is a formal program that allows qualified students from North Boone Community Unit School District #200 to attend Rock Valley College (RVC) for their junior and senior years of high school. Students may enroll in a two-year degree completion program in which students take dual credit courses that meet the requirements for both a high school diploma and a Rock Valley College Associate’s Degree simultaneously or a one-year program that meets the requirements for both a high school diploma and one year of Rock Valley College credit courses simultaneously. The Running Start program will be administered through the Early College office at Rock Valley College in conjunction with North Boone Community Unit School District #200.

Students selected for Running Start need to be academically and socially ready for college. Running Start provides an opportunity for students to work toward a more challenging educational environment and to excel both in high school and college; at the same time, they may continue to participate in sports and activities at their high schools as their schedule allows. The Running Start program provides students additional experiences to develop the independence, study skills, and confidence needed to succeed beyond high school and into college.

The financial arrangement between Rock Valley College and North Boone Community Unit School District #200 requires the district to calculate the cost equivalent of tuition and fees with the assistance of the College for the courses taken per Running Start student and pay the College the cost associated with this tuition and fees calculation. Participating students will then be financially responsible for paying the remaining balance of tuition and fees, along with covering the costs for any repeated courses and the cost of textbooks and course supplies. The District’s financial assistance helps reduce the overall college cost for students and their families.

Recommendation: It is recommended that the Rock Valley College Board of Trustees approves the Running Start Intergovernmental Agreement with North Boone C.U.S.D. #200, effective the date both parties have approved and executed the Agreement, for classes beginning Summer 2024. **Attorney Reviewed.**

The Parties will coordinate regarding an appropriate response to any report of alleged harassment, including sexual harassment, involving students or employees involved in the Running Start Program, taking into consideration the nature of the report, the parties involved and the location and context in which the alleged harassment occurred.

- C. In carrying out its respective obligations under this Agreement, each Party and its employees shall maintain the confidentiality of all personally identifiable information concerning the students enrolled in Running Start courses, and shall adhere to all applicable federal, State and local laws, rules and regulations now in effect or later adopted relating to the confidentiality of student records and information, including but not limited to the Family Educational Rights and Privacy Act ("FERPA"), 20 U.S.C. §1232g, and Illinois School Student Records Act ("ISSRA"), 105 ILCS 10/1 et seq. With regard to the education records/school student records and information to which a Party and/or its employees shall be granted access under this Agreement, that Party and its employees shall be deemed "school officials" with legitimate educational interests in such records and information. The Party and its employees shall have the right to access and use such records and information solely for the purpose of performing the Party's obligations under this Agreement. The Party and its employees shall not re-disclose personally identifiable student information that is received under this Agreement to any third party, except as directed or permitted by the other Party, or as required by law. Each Party shall have in place reasonable policies and procedures, which the other Party may monitor or audit upon request and with reasonable notice, to prevent such re-disclosure.

- D. It is understood and agreed that neither party to this Agreement shall be legally liable for any negligent or wrongful acts either of commission or omission, chargeable to the other, unless such liability is imposed by law and this Agreement shall not be construed as seeking to enlarge or diminish any obligation or duty owed by one party against the other party or against third parties.

- E. The Parties agree that their respective representatives shall use their best efforts to

timely communicate with one another as needed to pursue the objectives and implementation of Running Start, and to work cooperatively to resolve any issues which may from time to time arise in the course of their collaboration. The Parties shall, not less than annually, review the provisions of this Agreement and identify any updates, as may be needed. Any such updates are subject to the requirements of Section 8.E, below.

Section 7 Participation in Running Start Program by Students with Disabilities

The Parties will work collaboratively and utilize the following processes to ensure that individual students with disabilities have access to Running Start Program courses, provided that they are able to meet the criteria for entry into such courses:

- A. The DISTRICT will identify all eligible students based upon the requirements as set forth in the Running Start Pre-Selection Criteria (Appendix A) and DISTRICT Procedures to Fulfill Qualifications and Admissions (Appendix B).
- B. The process is established as follows:
 - The DISTRICT will identify students who have a current IEP or 504 Plan on the final and approved DISTRICT Running Start list, as referenced in Appendix B.
 - The DISTRICT will ensure that each student with an IEP or 504 Plan and their parent/guardian is informed of the differences in college ADA accommodations versus high school accommodations.
 - The DISTRICT Counselor and COLLEGE Early College department will assist with connecting students to Disability Support Services so that college accommodations can be developed prior to the start of Running Start coursework.
 - The DISTRICT will assist in providing students a copy of their current IEP or 504 Plan to provide to the COLLEGE Disability Support Services.
- C. A student with a disability shall have access to the supplementary aids and accommodations included in their individualized education program under Article 14 of the Illinois School Code or Section 504 Plan under the federal Rehabilitation Act of 1973 while the student is accessing a Running Start Program course on DISTRICT's high school campus, in accordance with established DISTRICT practices for providing these services.
- D. A student with a disability who accesses a Running Start Program course on COLLEGE's campus shall have access to appropriate supplementary aids and/or accommodations for which the student is eligible through COLLEGE's Disability Support Services office. The Parties agree that the COLLEGE'S Disability Support Services office will coordinate with and involve the District in identifying appropriate supplementary aids and/or accommodations for eligible students.
- E. DISTRICT and COLLEGE shall regularly communicate regarding the progress,

performance and individual needs of students with disabilities who are enrolled in Running Start Program courses.

Nothing contained herein shall be construed as to release DISTRICT from its obligations as the "Resident District" and/or "Local Education Agency," as those terms may be defined in State or federal laws, rules and/or regulations relating to students with disabilities. DISTRICT represents and warrants that, at all times and during all situations governed by this Agreement, it shall remain the Resident District and Local Education Agency for any and all students with disabilities participating in the Running Start Program hereunder.

APPENDIX C

Running Start Student Academic Conduct Policies

All *Running Start* students at Rock Valley College (RVC) are expected to demonstrate qualities of integrity, honesty, civility, and respect in their conduct, both in and out of the classroom. All RVC policies can be viewed in the Student Handbook found on our website: www.rockvalleycollege.edu/studenthandbook. Adherence to all policies is essential and required to remain in the *Running Start* program.

ADVISING & COMMUNICATION

Running Start students are expected to:

- Meet with your high school Program Counselor for high school graduation and semester schedules.
- Only add or drop classes with your high school Counselor.
- Meet with an RVC Advisor for RVC graduation requirements.
- Respond to communication via RVC Mail and EAGLE accounts on a daily basis.
- Keep all scheduled appointments.

ATTENDANCE POLICY

Students are expected to attend every class meeting and arrive on time. There is no college policy permitting absences. Each faculty member will decide when and how absences affect grades. It is the responsibility of the student to adhere to the course syllabus. If a student needs to miss class, they must contact their instructor and their home high school office.

MAINTAINING ACADEMIC INTEGRITY

Please refer to page 47 of the Student Handbook: <http://www.rockvalleycollege.edu/studenthandbook>

ACADEMIC EARLY WARNING

Transitioning from high school to college can be a challenge and students may find it difficult to adjust. The Early Warning System is designed to assist students by alerting the Dean of Students office of any student who misses class or struggles academically within the first few weeks of school. This early intervention is intended to make a difference in the student's academic performance before midterm and set a pattern of success for the rest of the semester. Notification to the Dean of Students is dependent upon faculty report.

ACADEMIC PROBATION & INDIVIDUAL ACADEMIC RECOVERY PLAN (IARP)

Students must earn a cumulative grade point average (GPA) of 2.5 or higher and not receive a "D", "W" or "F" for a course, or they will be placed on Academic Probation for one semester and be required to develop an IARP. If during the probation semester students fail to raise their GPA to 2.5 or higher or they earn an additional "D", "W" or "F", then they **will** be dismissed from the program and be returned to high school. Assistance to improve academic performance is available by taking advantage of the following:

- Meet with instructors to review course expectations and create a plan of action. Instructor office hours can be found on the course syllabus.
- Visit the Tutoring Center, Writing Center, and/or Math Lab for instruction, tutoring, and study skills enhancement. These services are free to RVC students.
- Students will be **required** to meet regularly with their high school program counselor to insure academic recovery.

DISMISSAL FROM PROGRAM

All *Running Start* students will be dismissed from the program as a result of *any* of the following:

- Failure to attend and complete STU 100: Planning for Success in their first summer semester with a grade of "B" or higher. No repeat allowed.
- Failure to raise cumulative GPA to 2.5 or earn "D", "F" or "W" during the Academic Probation semester.
- Demonstration of behavior and/or attitudes that undermine the integrity and privilege of program participation, as deemed by RVC and/or the participating School District.
- Violation of any of the Code of Conduct policies and/or Academic Misconduct policies.
- If high school graduation and/or RVC graduation is in jeopardy. Dismissal is determined by the participating School District in consultation with RVC.

In addition, students in their **first year** of *Running Start* will also be dismissed from the program as a result of *any* of the following:

- Earning a combination of three "D", "F" or "W" grades in a single semester.
- Earning two "F" grades in a single semester.
- Earning a semester or cumulative GPA less than 2.0.
- Needing to recover more than 7 credits by the end of the first year in the program.

**2024-2025 Running Start Intergovernmental Agreement (IGA)
Winnebago C.U.S.D. #323**

Background: Running Start is a formal program that allows qualified students from Winnebago C.U.S.D. #323 to attend Rock Valley College (RVC) for their junior and senior years of high school. Students may enroll in a two-year degree completion program in which students take dual credit courses that meet requirements for both a high school diploma and a Rock Valley College Associate Degree simultaneously or a one-year program that meets the requirements for both a high school diploma and one year of Rock Valley College credit courses simultaneously. The Running Start program will be administered through the Early College office at Rock Valley College in conjunction with Winnebago C.U.S.D. #323.

Students selected for Running Start need to be academically and socially ready for college. Running Start provides an opportunity for students to work toward a more challenging educational environment and excel both in high school and college; at the same time, they may continue to participate in sports and activities at their high schools as their schedule allows. The Running Start program provides students additional experiences to develop the independence, study skills, and confidence needed to succeed beyond high school and into college.

The financial arrangement between Rock Valley College and Winnebago C.U.S.D. #323 requires the District to calculate the cost equivalent of tuition and fees with the assistance of the College for the courses taken per Running Start student and pay the College the cost associated with this tuition and fees calculation. Participating students will then be financially responsible for paying the remaining balance of tuition and fees and covering the costs for any repeated courses, textbooks, and course supplies. The District's financial assistance helps reduce the overall college cost for students and their families.

Recommendation: It is recommended that the Rock Valley College Board of Trustees approves the Running Start Intergovernmental Agreement with Winnebago C.U.S.D. #323, effective the date both parties have approved and executed the Agreement, for classes beginning Summer 2024. **Attorney Reviewed.**

APPENDIX C

Running Start Student Academic Conduct Policies

All *Running Start* students at Rock Valley College (RVC) are expected to demonstrate qualities of integrity, honesty, civility, and respect in their conduct, both in and out of the classroom. All RVC policies can be viewed in the Student Handbook found on our website: www.rockvalleycollege.edu/studenthandbook. Adherence to all policies is essential and required to remain in the *Running Start* program.

ADVISING & COMMUNICATION

Running Start students are expected to:

- Meet with your high school Program Counselor for high school graduation and semester schedules.
- Only add or drop classes with your high school Counselor.
- Meet with an RVC Advisor for RVC graduation requirements.
- Respond to communication via RVC Mail and EAGLE accounts on a daily basis.
- Keep all scheduled appointments.

ATTENDANCE POLICY

Students are expected to attend every class meeting and arrive on time. There is no college policy permitting absences. Each faculty member will decide when and how absences affect grades. It is the responsibility of the student to adhere to the course syllabus. If a student needs to miss class, they must contact their instructor and their home high school office.

MAINTAINING ACADEMIC INTEGRITY

Please refer to page 47 of the Student Handbook: <http://www.rockvalleycollege.edu/studenthandbook>

ACADEMIC EARLY WARNING

Transitioning from high school to college can be a challenge and students may find it difficult to adjust. The Early Warning System is designed to assist students by alerting the Dean of Students office of any student who misses class or struggles academically within the first few weeks of school. This early intervention is intended to make a difference in the student's academic performance before midterm and set a pattern of success for the rest of the semester. Notification to the Dean of Students is dependent upon faculty report.

ACADEMIC PROBATION & INDIVIDUAL ACADEMIC RECOVERY PLAN (IARP)

Students must earn a cumulative grade point average (GPA) of 2.5 or higher and not receive a "D", "W" or "F" for a course, or they will be placed on Academic Probation for one semester and be required to develop an IARP. If during the probation semester students fail to raise their GPA to 2.5 or higher or they earn an additional "D", "W" or "F", then they **will** be dismissed from the program and be returned to high school. Assistance to improve academic performance is available by taking advantage of the following:

- Meet with instructors to review course expectations and create a plan of action. Instructor office hours can be found on the course syllabus.
- Visit the Tutoring Center, Writing Center, and/or Math Lab for instruction, tutoring, and study skills enhancement. These services are free to RVC students.
- Students will be **required** to meet regularly with their high school program counselor to insure academic recovery.

DISMISSAL FROM PROGRAM

All *Running Start* students will be dismissed from the program as a result of *any* of the following:

- Failure to attend and complete STU 100: Planning for Success in their first summer semester with a grade of "B" or higher. No repeat allowed.
- Failure to raise cumulative GPA to 2.5 or earn "D", "F" or "W" during the Academic Probation semester.
- Demonstration of behavior and/or attitudes that undermine the integrity and privilege of program participation, as deemed by RVC and/or the participating School District.
- Violation of any of the Code of Conduct policies and/or Academic Misconduct policies.
- If high school graduation and/or RVC graduation is in jeopardy. Dismissal is determined by the participating School District in consultation with RVC.

In addition, students in their **first year** of *Running Start* will also be dismissed from the program as a result of *any* of the following:

- Earning a combination of three "D", "F" or "W" grades in a single semester.
- Earning two "F" grades in a single semester.
- Earning a semester or cumulative GPA less than 2.0.
- Needing to recover more than 7 credits by the end of the first year in the program.

**2024 - 2025 Senior Semester Intergovernmental Agreement (IGA)
North Boone C.U.S.D. #200**

Background: Senior Semester is a formal program being continued in partnership with North Boone C.U.S.D. #200 during the 2024 - 2025 school year. The program allows up to 20 qualified District students to attend Rock Valley College for their final high school semester of senior year. Students take dual credit courses that meet the requirements for both a high school diploma and one semester of Rock Valley College credit courses simultaneously. The Senior Semester program is administered through the Early College office at RVC in conjunction with North Boone C.U.S.D. #200.

Students selected for Senior Semester must be academically and socially ready for college. The program provides an opportunity for students to engage in a more challenging educational environment while finishing their high school careers.

The financial arrangement between Rock Valley College and North Boone C.U.S.D. #200 requires the District to calculate the cost equivalent of tuition and fees with the assistance of the College for the courses taken per Senior Semester student and pay the College the cost associated with this tuition and fees calculation, not to exceed \$48,000 during the term of this agreement. Participating students will be financially responsible for paying the remaining balance of tuition and fees, along with covering the costs for any repeated courses, textbooks, and course supplies. The District's financial assistance helps reduce college costs for students and their families.

Recommendation: It is recommended that the Rock Valley College Board of Trustees approves the Senior Semester Intergovernmental Agreement with North Boone C.U.S.D. #200 effective upon signature for classes beginning January 2025. Said agreement shall expire on June 30, 2025. **Attorney Reviewed.**

College Bookstore Contract

Background: Currently, Rock Valley College has the traditional bookstore model of a physical bookstore on campus. Colleges now have the ability to transition to a fully virtual bookstore model or a hybrid model that takes full advantage of the efficiency of the virtual model while maintaining the support and accessibility of a physical bookstore presence.

On April 24, 2024, Rock Valley College requested proposals for bookstore services. RFP #24-12 RVC Bookstore invited vendors to submit proposals for one of two models: a fully virtual bookstore or a hybrid with both virtual and a physical bookstore. The College is seeking a three-year contract with two (2) one-year optional renewals.

The RFP was opened on May 24, 2024. The College received ten (10) proposals from seven (7) vendors, three (3) of whom submitted responses for both models.

The vendors who submitted and the model they provided were as follows:

Vendor	Model Type
Akademos LLC	Virtual
Ambassador Education Solutions	Virtual
Barnes and Noble	Both Virtual and Hybrid
BibliU Campus	Both Virtual and Hybrid
eCampus	Virtual
Follet Higher Education Group, LLC	Both Virtual and Hybrid
RedShelf	Virtual

A seventeen-member (17) selection committee was formed, comprised of faculty, staff, and administration from various departments, including Student Services, Financial Services, Disability Support Services, Academic Affairs, Automotive, College Readiness, Operations, Online Learning, Biology, and Engineering and Technology.

The committee used a scoring matrix to evaluate the responses in order to short-list the respondents. This first matrix thoroughly evaluated twenty-one areas for evaluation, including but not limited to:

- Ability to offer and support new, used, rented, and digital textbooks
- Ability to provide efficient and effective online course materials through an easy-to-use online portal
- Customer service policies and procedures, including a buyback program, return policies, shipping options, and an opt-out option for all-access programs

- Integration with existing College software and procedures
- Ability to offer College emblematic merchandise such as apparel and graduation items
- Transition and implementation plan
- Marketing strategies
- Financials

The top four respondents were invited to give presentations detailing their virtual bookstore and user experience, faculty’s material adoption process, buyback and rental procedures, and their transition plan. Vendors who proposed a hybrid option also described their physical bookstore presence and procedures. Each presentation was followed by a question-and-answer session from the committee.

The committee used a second scoring matrix to evaluate the finalists, primarily focusing on each respondent’s alignment with the College’s goals and students’ needs. The committee discussed at length which bookstore model would best meet the needs of the College, the students, and the community. After careful consideration, the committee determined that a hybrid model with both a virtual bookstore and a physical, on-campus presence would be the best fit for the College. The committee identified BibliU as the top respondent for a hybrid model.

BibliU Campus demonstrated an excellent user interface for both students and faculty, a proven ability to integrate seamlessly with Ellucian Colleague and Canvas, flexibility to meet the College’s evolving needs for Inclusive Access and Equitable Access, and a solid transition plan to a hybrid bookstore.

Recommendation: It is recommended that the Board of Trustees approves BibliU Campus as the bookstore provider for the College and authorizes the administration, in conjunction with legal counsel, to prepare and execute a contractual agreement for a hybrid model bookstore for a three-year contract with two optional one-year renewals.
