

Rock Valley College

RVC Board Policy 2:20.110

Campus Trespass Policy

Rock Valley College is a public institution of higher education that is generally open to the public. At the same time, the College is committed to safeguarding its students, employees and visitors, to ensuring the safe operation of College programs and activities, and to protecting College assets. In that regard, the College reserves the right to establish expectations and parameters governing visitors' presence on College property. The College further reserves the right to restrict a visitor's access to some or all College property, where a determination has been made that the visitor engaged in, or is reasonably likely to engage in: (a) criminal activity; (b) a violation of College policy; and/or (c) conduct that may reasonably be deemed to be threatening, disruptive and/or violent.

The Administration, in consultation with the College Police Department, shall develop procedures outlining the circumstances under which a visitor's access to or presence on College property may be restricted, and the process for issuing a no-trespass order to such visitor for a definite period of time, to be determined on a case-by-case basis.

Nothing in this Policy precludes the College from issuing a no trespass directive to a currently enrolled student pursuant to the College's existing policies and procedures governing students, including but not limited to the Student Code of Conduct.
