Testing for Academic and Career Placement

The College is committed to the academic and career success of its students. To promote such success, new students enrolling in credit classes are required to complete placement testing prior to registration. Students may also be required to take career-related placement tests to determine eligibility for selective-enrollment College programs or courses.

New students may be able to obtain a waiver of one or more placement tests by submitting proof of competency in a discipline as determined by the College. Information on placement testing and waiver of testing will be communicated to students through various means including the College's website.

As a member of the National College Testing Association, the College provides professional, accessible testing services in a secure and appropriate environment in order to advance the educational and career status of current students and district residents.
